

The Association of Supervision and Curriculum Development (ASCD) is the premier organization for education professionals with 175,000 members around the world. Join us at the state level to collectively take advantage of ASCD's professional development, award-winning publications and practical, usable resources.

Iowa ASCD is an affiliate of ASCD and shares in international governance with representation on the Leadership Council. However, Iowa ASCD is an autonomous organization with its own officers and dues structure.

If you are an ASCD member we recommend you pay your dues through the ASCD joint dues program by adding the \$45.00 Iowa ASCD dues to the ASCD total on your renewal. Please note that the ASCD Comprehensive Membership does NOT include Iowa ASCD dues. Please call or e-mail us for details.

**Iowa ASCD is a responsive network of educational leaders that serves as the first choice for those who influence instructional policy and practices in Iowa.**
